

The Information Center

Information is empowering!

The Information Center provides free information about a wide range of services and programs and directs callers to appropriate resources. With a large database at their fingertips, trained Information & Referral Specialists help older adults and people with disabilities and their caregivers identify the services they need and then link them to those services or simply get answers to questions about aging issues. The resource database contains thousands of local, state, and national resources including, but not limited to:

- Home Care
- Housing Options
- Dementia Care Services
- Transportation
- Senior Dining Sites
- Community Resources
- Nursing Home Ombudsman
- Options Counseling
- Legal Resources
- *Minuteman By Your Side*
Private Care Management
- Care Management for Everyone
- Respite Care
- Public Benefits
- Caregiver Support Resources
- Meals on Wheels
- Healthy Living Workshops
- Shine Medicare Counseling
- Bill Paying Assistance
- Food Resources
- Elder Protective Services

Staff at the Information Center can also help by answering questions about the programs offered by Minuteman Senior Services as well as assist callers with internal referrals.

The Information Center is open Monday-Friday from 9:00 AM to 5:00 PM
